Calpine Corporation donates \$10,000 to Food Bank

January 12, 2011 By [Larry](#) [Leave a Comment](#)

Even though I have been with the Food Bank forever, I still get amazed at how people's willingness to make a difference gets channeled into the reality of food going to a hungry person.

[Calpine Corporation](#) is a company that wants to make a difference in the East County community where they do business. Through their connection with [Contra Costa County Supervisor Federal Glover](#) they see that a donation to the Food Bank can help the low-income people in Supervisor Glover's district. And because we are able to get coverage of this generous donation from Dave Padilla at [KCBS Radio](#), hopefully we can motivate other people who want to make a difference to step forward. The connections that come from a generous impulse are fantastic.

Calpine Corporation's Business Manager Karri Campbell presents \$10,000 to Larry Sly, Executive Director of the Food Bank in response to County Supervisor Federal Glover's appeal for donations.
